- To accept support that is available if currently experience difficulties.

256th

Cancer 22° 112° / Scorpio 22°

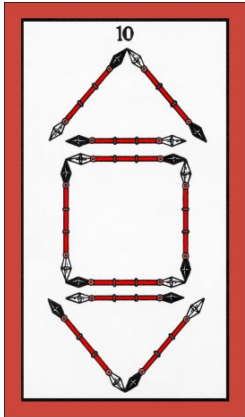

Lord of Pleasure

- Symbol for emotional fulfillment with a sense of stagnation or complacency.
- To obtain balance between material comfort and spiritual fulfillment.
- Appreciate the luxuries of life while remaining mindful of deeper aspects of existence and the potential for inner growth and transformation.
- To seek stability with sensitivity and deep intuition and be aware of too many boundaries that creates rejection of others due to memories.

Vibrations with Tarot

309th

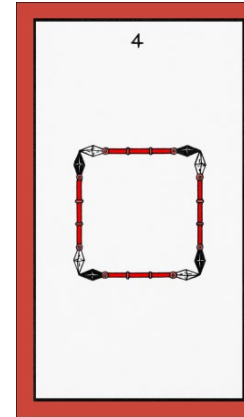

Sagittarius 26° 266° / Cancer 24°

Lord of Oppression

- Ambition and determination have led to significant achievements but at the cost of personal freedom and well-being.
- Symbol for intense effort required to maintain control over a situation.
- Feelings of being weighed down and restricted.
- To delegate, prioritize, and manage resources wisely to avoid burnout and collapse of structures.

313th

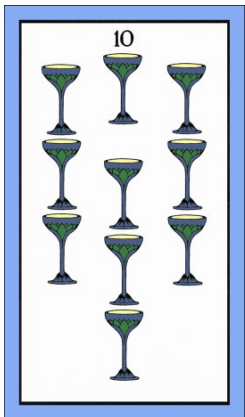

Aries 27° 27° / Virgo 21°

Lord of Perfected Work

- To celebrate accomplishments and enjoy the stability that was worked hard to create.
- Symbol for harmony, completion, stability, foundation, and celebration.
- Successful conclusion of phases or cycles that are experienced and to prepare for the next beginnings of growth with excitement.

312th

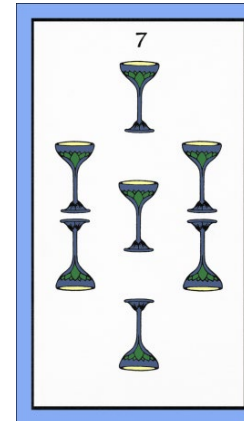

Pisces 26° 356° / Libra 30°

Lord of Perfect Success

- Symbol to enjoy the moment of fulfillment but also prepare for the next phase of growth.
- Feelings of happiness are in both appreciating what has been achieved and to be ready to move on with new journeys.
- Prosperity reveals deep feelings of success rather than the intellect observing the achievements.
- Expressions of love and security with family, friends, and community.

320th

Scorpio 27° 237° / Scorpio 30°

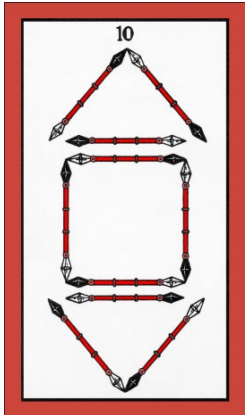

Lord of Illusory Success

- Symbol of emotional excess and confusion.
- Overindulgence and pitfalls of seeking unrealistic dreams or fantasies.
- Seductive allure of superficial pleasures and the risk of creating lost will in illusion and escapism.
- Need for discernment and clarity.
- To see beyond and through appearances and take notice of empty rewards.
- Ground self and make choices that lead to true fulfillment rather than fleeting gratification.

Vibrations with Tarot

345th

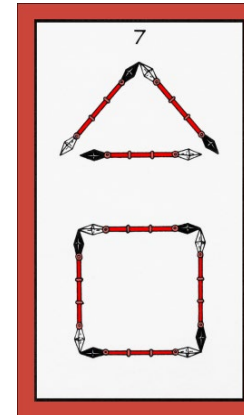

Sagittarius 29° 269° / Capricorn 10°

Lord of Oppression

- Ambition and determination have led to significant achievements but at the cost of personal freedom and well-being.
