# Original Cause

The First Creation

**The Unseen Role  
Of Denial**

**Part 2  
- clip -**

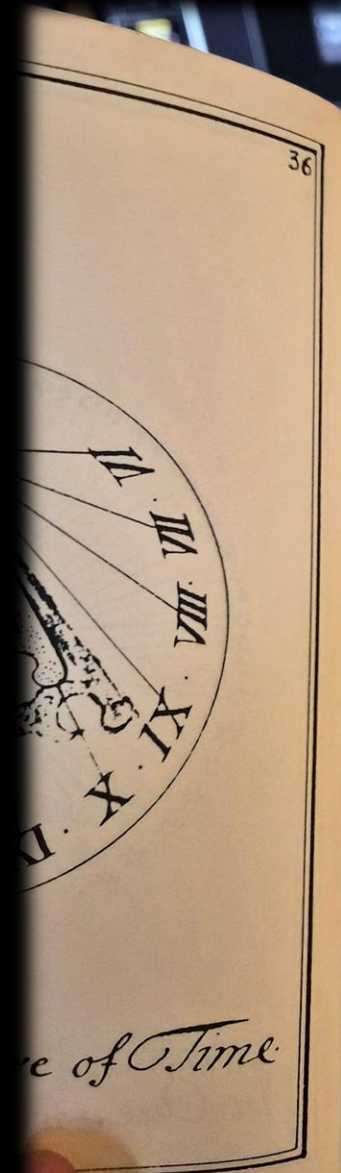

- Part of Me did not like that I had awakened.
- Part of Me felt alright having consciousness.
- Guilt created a split.
- Desire to know and I had feelings.
- I had responded to Myself somehow. What was it that had responded? Was it Me talking to Myself or was it someone else?
- Desire to split Myself into pieces.
- The Will feared to let me know how it felt.

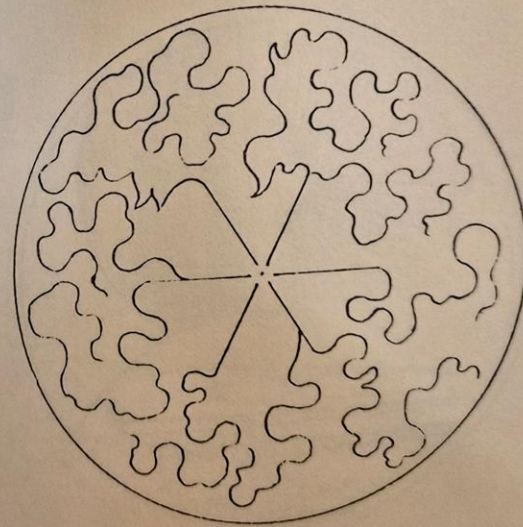

- Lost Will does not know if it is part of Me or not.
- I frightened the Will.
- Parts of the Will lost outside of Myself.
- The Will needs more space for My Light to expand.
- Evolving Light is expanding light.
- Resistance to My Light must move back.
